Our hearts and prayers go out to all of you that have lost your home or have been displaced by the Carr fire.

If your house was lost in the fire, please call our office. We will get important information to your insurance company regarding the alarm system.

Please contact Bianca at (530) 243-2521, she is in charge of coordinating with your insurance company and stopping monthly recurring while you are without service.

Make sure we have your current telephone or cell phone numbers along with a current mailing address. If you relocate to a temporary residence, please update that information with Bianca as well. She will also need your insurance agent's name, the company name and telephone number.

If you will be in a rental or a temporary residence while your home is rebuilt, contact Stuart about an alarm system for your rental home (530) 243-2521. We are here to help during this difficult time.

All of us at California Safety would like to thank the first responders: Fire Fighters, Police, Sheriff, and National Guard. They have been putting in long and difficult hours fighting this fire and trying to keep our community safe. We are so grateful.

Finally, our deepest condolences go out to the families and friends of all those that have been lost to this devastating fire.
