## Be a Good Neighbor

Get to know your Neighbors. Good neighbors will watch your home while you are away. They can report suspicious activity to the police while you are gone. Good neighbors can pick up your mail, newspapers, and can inspect the outside or inside of your home periodically to see that all is well. Good neighbors can be temporarily put on your alarm call list while you are away. Start a Neighborhood Watch. This practice helps deter burglaries and other crimes in a big way. Of course, for this to work, you must reciprocate and offer the same services or help to your neighbors.

## Veterans Day

A celebration to honor America's veterans for their patriotism, love of country, and a willingness to serve and sacrifice for the common good.

This November 11th, put your flag out, and thank a veteran for his or her service to our country.

## THANKSGIVING SAFETY TIPS

Thanksgiving is one of our nation's favorite holidays. It is also the leading day of the year for home fires involving cooking equipment. **Always, stand by your pan.** Never leave food, grease or oils cooking on the stovetop unattended. Avoid loose clothing and long sleeves while cooking. Keep food packaging, paper or plastic bags, and towels away from the cooking surface. Keep children away from the hot stove.

If you are traveling for the holidays, be sure to let us know of your departure and return dates. We can post this on your account and will let the police know, if an alarm dispatch occurs. Make sure all doors and windows are secure and locked before leaving. Never hide a key outside. Never post your travel plans on Facebook and other social media sites. Make sure to have mail and newspapers picked up by a trusted neighbor while you are gone. Have a safe, happy, and relaxing Thanksgiving.

## EXTENDED POWER OUTAGES CAN AFFECT YOUR BATTERY

Power Outages for an extended length of time can ruin your backup batteries. Most controls have a command available to test the batteries on demand. See your instruction manual or call us for assistance.

We recommend a battery change every four years, regardless of condition. We have batteries for every type of system in stock for your convenience.

## SECURITY TIPS

- If you are moving into a new home, be sure to change all of the locks.
- Minimize your risk by making your home unattractive to burglars. Display your alarm company yard signs and put decals on your windows.
- If someone comes knocking on your door asking to use the phone to call the police, keep the door locked, get their information, and make the call yourself.
- If the entrances to your home are dark, consider installing motion sensor lights. It is a smart approach that makes you aware of an intruder.
- Trees and shrubs can shield a burglar from view. Keep shrubs trimmed low and tree branches pruned high and away from the house.
- Ask for a license or credentials from any serviceman or salesman entering your home. You can always call the office to verify their identity.

## ACH Recurring Payment Authorization Form

California Safety Company has started a **new automatic payment program**. Your monthly payments can now be scheduled to be automatically deducted from your checking or savings account. **For customers that would like this payment option, complete and sign this form to get started!**

### Automatic Recurring Payments Will Make Your Life Easier:

- It's convenient (saving you time and postage)
- Your payment is always on time (even if you're out of town), eliminating late charges.

### Here's How Recurring Payments Work:

You authorize regularly scheduled charges to your checking or savings account. You will be charged the amount indicated below each billing period. A receipt for each payment will be emailed to you and the charge will appear on your bank statement as an "ACH Debit".

You agree that no prior-notification will be provided unless the date or amount changes, in which case you will receive notice from us at least 10 days prior to the payment being collected.
